Mahesh Balakrishnan,
Development and Recognition Manager, India and Nepal

Based in New Delhi, India, Mahesh Balakrishnan has an extensive background in Sales & Marketing and has over two decades of global business development experience across multiple industries. His experience includes working with regulators, policymakers and industry leaders.

A passionate teacher and mentor, Mahesh brings in a decade of experience in education. He has worked across higher and primary education, online learning and technology in education in the fields of simulation and gamified learning. He also conducts corporate workshops. He has been active in student mentoring and providing them with various career pathways to higher education.

Mahesh holds an MSc in Technopreneurship and Innovation from Nanyang Technological University, Singapore and an MBA in Marketing from India.

Palak Behl,
International Student Recruitment Officer - India & Pakistan
King's College London

Ms. Palak Behl has 8 plus years of work experience in the education sector, including outreach and academics as an Assistant Professor (marketing). She works as an International Recruitment Officer (India), King's College, London. She is a Global Career Counsellor and co-founded the outreach team for a Delhi-based affiliate centre of the London School of Economics and was responsible for brand and outreach activities. In the course of her work, she has travelled across the country to interact with students across 100+ schools as well as top colleges and has thoroughly enjoyed interacting with young students and adding value to their lives in whatever way possible.

Akanksha Tambulkar,
Assistant Director, Ashoka University

Akanksha's education and practice is in Law. However, her interest in interdisciplinary learning made her join the Young India Fellowship Programme at Ashoka University. She has been a part of the Office of Admissions Office for almost 6 years now, and serves as Assistant Director, overseeing various aspects of the admissions process.
